Degree	Status	Majors	Institute	Period of study
Bachelor's	Graduated	Computer Science and Programming	ITMO University	2021 - 2025
Master's	In progress	Computer Science and Programming	ITMO University	2026 - now

Summary

I am bachelor graduate of ITMO University. I do Competitive Programming and have achieved a lot, participating in numerous Olympiads during my school and university years, and I am still going to achieve more. Competitive Programming made me love Programming and Computer Science, so I decided to apply to ITMO University to acquire proper education. My interests are C/C++ development and Computer Science, so I am very much into them. But I always like to learn something new, gain new experience, get to know new technologies, etc. I have experience working as a C++ developer and as a R&D engineer in think-cell and Huawei.

Professional Experience

Software Engineering Intern | think-cell GmbH — Jul 2023 - Aug 2023

- Working in a team on developing a plugin for PowerPoint
- C++ development

Junior Engineer | Huawei — Feb 2024 - Oct 2025

- Working in an OS Networking team in Huawei Russian Research Institute in Saint-Petersburg.
- Working on various problems and projects related to networks
- Developing Python framework for automating testing of smartphones', pads' and laptops' subnets, adding new tools for experiments' automatization on HarmonyOS and Android devices.
- Developing wireless p2p dynamic topology creation and synchronization algorithm on C++, that is used in Huawei's IoT solutions.

Technical Skills

Programming C/C++, Go, Python, Java, SQL, Bash
Technologies & Frameworks Git, eBPF, GTest, Qt, Docker
Languages English(B2), Russian(native)

Key Courses Undertaken

Mathematics and Statistics

- Probability and Random Processes, Math Statistics, Calculus, Math Logic, Linear Algebra, Discrete Math, Coding theory

Computer Science

- Data Structures and Algorithms, Computer Architecture, Operating Systems, Methods of Translation, Cryptography, Parallel Programming, Data Analysis, Methods of Optimization, Networks, Machine Learning, Databases, Distributed systems, Blockchain

Achievements & Certifications

- IOI 2021 – 75th place out of 351 (Silver medal)
- NERC ICPC (2021-2022) - Third degree diploma as part of ITMO University team "TaskAcceptedException"
- NERC ICPC (2022-2023) - Third degree diploma as part of ITMO University team "UnexpectedValue"
- NERC ICPC (2023-2024) - Third degree diploma as part of ITMO University team "I don't know"
- NERC ICPC (2023-2024) - Second degree diploma as part of ITMO University team "I don't know"
- Belarussian Republican Olympiad (2021) – First degree diploma
- IZHO XVI - Gold medal
- IZHO XVII - Gold medal
- "Technocup"(2020/2021) – First degree diploma
- "Technocup"(2019/2020) – First degree diploma
- XIV Moscow Open – Silver medal

- XV Moscow Open – Silver medal
- Innopolis Open 2021 – First degree diploma
- XII International Autumn Tournament in Informatics – Silver medal
- Saint-Petersburg State University International online olympiad in Phisics – Gold medal
- BSUIR contest in informatics and computing logic “Hot Code - 2021” – First degree diploma
- Individual Olympiad in Informatics and Programming (ИОИП) - First degree diploma
- Hackathon "Techarena Challenge 2022" in ITMO University - 1st place
- Hackathon "Techarena Challenge 2023" in ITMO University - 1st place
- Hackathon "Techarena Challenge 2024" in ITMO University - 3st place
